

Epson PowerLite® Home 10

Makes every night opening night.

Turn ordinary sports broadcasts and movies into extraordinary entertainment in the comfort of your own home. A three-LCD imaging device provides superior image accuracy for brilliant, big screen performance at a truly astonishing value. A native 16:9 aspect ratio with Epson 0.55" wide-panel LCDs combined with a maximum 700:1 contrast ratio facilitates an authentic theater experience.

Fill a 100" screen from only 8 feet back with the newly designed lens and 1.54x zoom ratio. This quiet, 1000 ANSI lumen projector offers home entertainment at its best. Four projection modes mean great color detail from any source material.* And, it's all at your fingertips with the convenient remote control. No installation is required—all you need is a coffee table and a wall. And, at 7.9 lbs., it's portable enough to take and share with friends and family.

Remarkable image quality and performance

- Wide-panel display (16:9 aspect ratio) for larger-than-life images and HDTV
- Three Epson 0.55" wide high-aperture LCDs for rich color saturation and broad color gamut
- 700:1 maximum contrast ratio for blacker blacks and whiter whites
- 480p (854 x 480) resolution for sharp, vivid detail
- Specialized video processor for clear, sharp images
- Four selectable projection modes (Dynamic, Living room, Theatre and Theatre black) whatever the room environment or source material
- Electronic cinema filter built in to enhance video images, especially dark scenes
- Renowned Epson reliability ensures a quality product

Easy setup and operation

- Easy cable connection to a DVD player, camcorder, digital set-top box/cable, VCR, video game console or PC
- Convenient remote control that's stored within the projector
- Long lamp life—2000-3000 hours depending on the color mode used
- Whisper-quiet operation to eliminate distracting fan noise
- 1W speaker for small audiences
- Start Here Kit gets first time users projecting in just minutes
- 20-second cool down and 10-second start up time
- Child lock for added security and safety

Outstanding Epson service and support

- 2-year Epson limited warranty
- Epson PrivateLine™ dedicated toll-free support line available from 6 a.m. to 6 p.m. PST Monday - Friday (calls are promptly answered live)
- Epson Home Service Program provides a replacement projector, typically the next business day
- 90-day bulb warranty for added dependability
